

Dear David,

I received your letter and would be interested in taking up your offer for a free appointment. Will you please call me to arrange a mutually convenient time to meet.

Some of my areas of interest are:

- A 10 year plan**
I'd like to formalise my plans so I can see where I am going to be at certain times in my life.
- My investment plans**
I would like to know if there are any areas of improvement.
- My existing investments**
I'd like to make sure they are working as well as possible.
- Tax**
I think I'm paying too much. There must be a better way.
- Income or cash management**
Money just doesn't seem to go far enough.
- Superannuation**
I'd like to know how to make superannuation really work.
- Personal Insurance**
I'd like to know if I am getting value for my money. And, if I am either over insured or under insured.
- Other information**
I'd just like a check up. It can't hurt.
- Your other articles**
I'd prefer you do not include me on your mailing list.

Yours sincerely,
